

MYSYS22 EULA

Version: 1.0

Effective Date: 26/09/2026

INFORMATION

This End User License Agreement (the "EULA") governs the legal relationship between the user (the "Licensee") and the development studio Akenayō Ruby (the "Studio") with respect to the use of the software MySys22 (the "Software") in compiled form.

This EULA supplements the Ruby Limited Open Code License (RLOCL), which governs access to the Source Code and modification rights. In the event of a conflict between the two documents, the RLOCL shall control, unless otherwise agreed in writing.

Any violation of this EULA shall be prosecuted under Italian law and applicable European regulations.

ART. 1: USER-SELF

1.1 Benefits

The User-Self license, in addition to granting all benefits provided under the RLOCL, permits:

- a. modification and redistribution of the Software for hobby projects;
- b. limited modification and redistribution of the Software for commercial or for-profit projects, within the limits set forth in the RLOCL.

1.2 Support

Email support is not guaranteed and is limited based on requests and the Licensee's request. Primarily critical issues shall be accepted.

1.3 Price

The price of this license is 0.00 USD/year. This license is activated by default upon installation of the Software on the Licensee's local computer.

ART. 2: DEV-SUPPORT

2.1 Benefits

The Dev-Support license grants all benefits of the preceding tier, in addition to those provided under the RLOCL.

2.2 Price

The price of the Dev-Support license is 30 EUR/year. It may be purchased through the official Patreon or via the support email.

ART. 3: ENTERPRISE

3.1 Benefits

The Enterprise license grants all benefits of the preceding tier, in addition to all benefits provided under the RLOCL.

3.2 Price

The price of the Enterprise license is 50 EUR/year. It may be purchased through the official Patreon or via the support email.

ART. 4: GRANT AND RESTRICTIONS ON USE OF THE COMPILED SOFTWARE

4.1 License Grant

The Licensor grants the Licensee a license that is:

- A. non-exclusive;
- B. non-transferable;
- C. non-sublicensable;
- D. limited to the territory and duration of the subscribed plan;
- E. valid for a single copy of the Software.

This license permits the Licensee to install and run the Software in compiled form on a single device of the Licensee, solely for personal use or internal use within the organization, within the limits of the active plan.

4.2 Number of Installations

Each license is valid for a single copy of the Software. Installation on additional devices requires the purchase of additional licenses, unless otherwise agreed in writing with the Studio.

4.3 Restrictions

The Licensee shall not:

- A. decompile, disassemble, or reverse engineer the Software, except to the extent permitted by law;
- B. remove, obscure, or alter any copyright, trademark, or other proprietary notices;
- C. distribute, sell, rent, lease, or sublicense the Software in compiled form to third parties;
- D. use the Software to provide a managed service to third parties in competition with the Studio;
- E. use the Software for unlawful purposes or purposes contrary to public policy.

4.4 Reservation of Rights

All rights not expressly granted under this EULA are reserved to the Licensor.

ART. 5 — GENERAL PROVISIONS

5.1 Acceptance

Installation, copying, or use of the Software in compiled form constitutes full and unreserved acceptance of this EULA. Any person who does not accept this EULA is not authorized to install or use the Software.

5.2 Term

This EULA is effective from the date of acceptance and remains in force until termination in accordance with Section 5.3.

5.3 Termination

This EULA shall automatically terminate, without the need for further notice, in the following cases:

- A. deletion of the Software and all copies in the Licensee's possession;
- B. breach of any provision of this EULA or the RLOCL;
- C. non-renewal of the paid license, for the Dev-Support and Enterprise tiers.

5.4 Reference to the RLOCL

For all matters not expressly provided for in this EULA, the provisions of the Ruby Limited Open Code License (RLOCL) shall apply, in particular:

- A. intellectual property (Art. 6.1 RLOCL);
- B. warranty (Art. 6.2 RLOCL);
- C. limitation of liability (Art. 6.3 RLOCL);
- D. governing law and venue (Art. 6.5 RLOCL);
- E. severability (Art. 6.6 RLOCL).

5.5 Precedence

In the event of a conflict between this EULA and the RLOCL, the RLOCL shall control, unless otherwise agreed in writing.
